7. FEES

It is understood that the Fund is charged an administrative fee of the Foundation and the pro rata share of investment management fees for the investment pool in which it is invested. The Community Foundation's fee for the administrative services is a blended fee, taken directly from the fund quarterly. The annual fees for donor advised funds start at 1.1% and decline according to our published fee schedule. Fees may change as determined by the Board.

8. DONOR ADVISED FUND SUCCESSION PLAN

Effective philanthropy requires thoughtful planning, including decisions related to the future of your Donor Advised Fund. The succession plans for your Donor Advised Fund can be crafted to reflect your personal charitable goals. A percentage or all of your Donor Advised Fund may be used to establish a permanent fund that is either unrestricted, so that it meets the most pressing needs of Collier County as they change over time; benefits broad fields of interest that are most meaningful to you; or benefits one or more named

charities. Of course, you can also name successor advisors so that your fund continues as a Donor Advised Fund.

In the absence of all fund advisor(s) due to death, resignation or incapacity, the fund will convert to an unrestricted named fund to support Collier County unless a succession plan is directed below.

Successor advisors may not change the distribution arrangement selected by the founding donor.

Check this box if you would like this fund to convert to a permanent endowed Donor Advised Fund when your succession plan takes effect and limit Successor Advisors to make grant distributions to the spending policy of the Community Foundation of Collier, as amended from time to time.

9. DORMANT FUNDS

A fund is considered active when there is regular communication between a founding donor or named successors and the Community Foundation. If a fund advisor does not make any grant distributions for a period of five (5) years or does not contact the Community Foundation during this time, the fund will automatically convert to an unrestricted named fund for Collier County. The Community Foundation's Board of Trustees will make grant decisions through the unrestricted fund that will most benefit our community at the time of distribution through Community Impact Grants.

10. GOVERNANCE

It is intended that the Fund shall be a component fund of the Foundation and not a separate trust; furthermore, nothing in this agreement shall affect the status of the Foundation as an entity that is a qualified charitable Agency. This agreement shall be interpreted in a manner consistent with this intention so as to conform to the requirements of the Internal Revenue Code and any regulations issued pursuant thereto applicable to the intended status of the Foundation. The Fund is protected from obsolescence. The Fund shall be held and administered subject to the provisions of the Foundation's Articles of Incorporation and By-Laws as presently in effect or as each may from time to time be amended, including those provisions that may permit the Board to amend, modify or vary any of the purposes, directions, restrictions or conditions set forth herein. However, the Foundation does not anticipate exercising such authority unless, in the sole judgment of the Board of Trustees, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community area served.

I/WE HEREBY AGREE to and accept the terms of this agreement and the related policies governing donor advised funds and acknowledge that contributions, including future contributions transferred to the fund are absolute and irrevocable.
